Important Questions	Answers	Why This Matters:
<p>What is the overall deductible?</p>	<p><u>Network providers:</u> \$350/Self Only \$700/Self Plus One \$700/Self and Family <u>Non-network providers:</u> \$600/Self Only \$1,200/Self Plus One \$1,500/Self and Family</p>	<p>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.</p>
<p>Are there services covered before you meet your deductible?</p>	<p>Yes. Preventive care/wellness; office visits; specialist visits; maternity care; inpatient hospital; urgent care visits and preventive prescriptions.</p>	<p>This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other deductibles for specific services?</p>	<p>No.</p>	<p>You don't have to meet other deductibles for specific services.</p>
<p>What is the out-of-pocket limit for this plan?</p>	<p><u>Network providers:</u> \$6,000/Self Only; \$12,000/Self Plus One or Self and Family (\$6,000 per covered individual). <u>Non-network providers:</u> \$9,000/Self Only; \$18,000/Self Plus One or Self and Family (\$9,000 per covered individual).</p>	<p>The out-of-pocket limit, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they must meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.</p>

What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , balance-billed charges, penalties, expenses covered by <u>specialty drug copayment assistance cards</u> , and non-covered services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.MHBPPostal.com or call 1-833-497-2416 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use a <u>non-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use a <u>non-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	This <u>plan</u> does not require a <u>referral</u> to see a <u>specialist</u> for covered services.

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
